

What's Working, What's Not and What's Next

One of the most important things I share with my artist mentoring program members on a regular basis is your willingness to prayerfully evaluate your life and make changes accordingly.

Making this a regular part of your quiet time with the Lord isn't complicated, but it is necessary in order for you to move from an artist who's surviving to one who's thriving.

This short printable PDF will help you walk through the process. I hope it's a blessing to you on your journey to breakthrough!

Blessings,

Matt Tommey

"I just have to say it is the BEST investment I've made in my career as an artist! He covers all the bases; business, mindset+spiritual, and creativity. If you are ready to stop making excuses and get to work on stepping fully into the artist God created you to be, you need to go sign up!"
